

2 October 2017

Dear Parent/carer

Y11 Mathematics, English and science revision evening
Thursday 19 October 2017 5.30pm – 7:30pm

As you may have seen this summer, Outwood Academy Redcar achieved the **best ever results in its history, with 61% of students achieving 4+ grades in English and maths**; we were also 2nd in Redcar and Cleveland for our overall progress score. Last year we had a huge buy-in from students and were also helped a great deal by parents who coached students to achieve these outstanding results by supporting them at home.

We would like to invite you to a joint maths, English and science revision evening within school on **Thursday 19 October 2017**. The evening will consist of a presentation on the work being done during lessons in the approach to our students summer exams in 2018 and what tasks will be expected to be completed at home. The format of the evening is as follows:

- 5.30pm – 6.00pm opportunity to speak to maths, English and science teachers about your child.
- 6.00pm - 7.00pm Subject presentation from Miss Smith (maths), Miss Hall (English) and Mrs Smith (science) with a focus on how to revise.
- 7.00pm onwards – **Hog roast** supper with an opportunity to speak further with subject teachers, representatives from Redcar and Cleveland College, Middlesbrough College, Prior Pursglove and our careers advisors Careers Inc. to give students and parent's careers guidance on the importance of gaining core subjects GCSE qualifications and the implications it can have on your child's future.

Students will also all receive a **FREE 'Revision Bag'** containing revision guides, calculator, post-it notes and other materials to support their home learning.

A **'Hog Roast'** supper will also be provided free of charge, hoping that this will persuade you further to come along to this event!

Please complete the reply slip overleaf and return to the Academy reception by **Monday 9th October 2017** so we can order supper in advance.

Your support as always is greatly appreciated and we look forward to meeting you.

Yours faithfully

Mrs Angela Sweeten
Principal

Miss Julie Smith
Head of Mathematics

Miss Jacqueline Hall
Head of English

Mrs Rachel Smith
Head of Science

Y11 Mathematics, English and science revision evening

Thursday 19 October 2017 5.30pm – 7:30pm
