

100 days and counting...
Don't count the days – make the days count!
Thursday 8th February 2018 at 6.00pm - 7.00pm

Dear Parent/Carer,

There are only 100 days and counting ... to the first GCSE exam! Every day counts!

Following the success of the Hog Roast evening we would like to offer all parents and students the opportunity to review individual performance of their mock examinations.

We are offering a finger buffet tea on the above date, the evening aims to give both students and parents a clear focus upon the areas in which they need improve, over the coming months.

Why should we attend?

- During the evening there will be a **series of short presentations** from Mrs Sweeten (Principal) and the Heads of English, maths and science.
- All students will be **given individual Gap Analysis** for maths, English and science – providing specific guidance on areas of weakness to focus revision techniques around.
- There will an **opportunity to speak to subject teachers** (in the core subjects), Heads of Departments and Directors of Subject - away from the busyness of the usual parents' evening. (The next parents evening is on Tuesday 27th February).
- Parents and students will receive a copy of each **student's individual summer examination timetable**, so parents can support planning of revision in preparation for exams.

Please may I ask you to confirm, with reception via the telephone number above, if you are planning to attend, so we can ensure we have enough pork pies, sausage rolls, sandwiches and cakes to go around!

I look forward to seeing you at our '**100 days and counting...**' evening and continuing to work together to ensure that your child is as successful as possible in their GCSE exams.

Yours sincerely

Graham Skidmore
Vice Principal (Deep Support)
