Dear Parent/Carer

Re: Praising Stars© I - Report to parents

Please find enclosed the first Praising Stars© information, of the academic year, for your child. This is the first of six reports that will be produced throughout the academic year, ensuring you are kept fully informed about progress towards challenging targets, effort levels and to flag up any concerns.

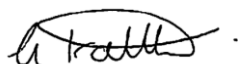

Target grades have now been added to the reports and this will help you to understand the progress being made by your child and ultimately what they should be aiming to achieve at the end of KS3 or KS4.

Year 7 Reports will be effort grades only, however Y7 parents will receive a full report at Praising Stars© 2.

Term resumes, following our October half term break on Monday 4th November 2019 and we expect students to arrive at the usual time of 8.20am.

I would like to take this opportunity to wish you all a restful half term break.

Yours faithfully

Mrs G Trattles
Principal
