Dear Parent/Carer

### Careers Fair

To support our students as they start to prepare to make important decisions about their future, we would like to invite you to this year's Careers Fair.

**Venue:** Outwood Academy Redcar  
**Date:** Thursday 28 November 2019  
**Time:** 12:00pm – 3.30pm (for students)  
2:30pm – 3.30pm (parents/carers to join students)

The event will be attended by representatives from over 20 employers, training providers, and apprenticeship providers, Sixth Forms, Colleges and Universities who will be available throughout the session to offer information, advice and guidance on post 16 opportunities. This has proven extremely beneficial and popular in the past. Some of the providers are as follows.

Encouraging aspiration and ambition is an important factor in motivating young people to appreciate their time at secondary school. The choices which our young people make now are crucial to their job prospects for the future. Students with a sense of direction tend to work hard to achieve the very best GCSE grades to meet entry requirements at the end of school and on into their futures.
