Year 9 - GCSE Art & Design Enrichment

Dear Parent/Carer

Re: Student Name:

Mrs Dunne and Mrs Smith would like to ensure that your child makes progress in their Art & Design subject.

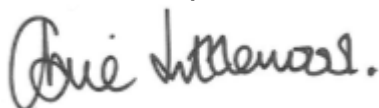

As a coursework based subject, 60% of the work supplied is work completed under controlled assessment conditions. Unfortunately your child has not yet produced enough work to be graded at this point and this may result in a significant gap between their target grade.

As you are aware the course completes in Year 10 and this gives just enough opportunity to make the difference. Enrichment opportunities happen on Monday, Wednesday and Thursday afternoons, between 2.30pm and 3.30pm, however your child has not taken advantage of these sessions and we therefore urge him/her to do so as a matter of importance.

To ensure your child's commitment to the sessions a prompt may be placed in their planner to remind them to attend Enrichment.

In the interim, please do not hesitate to contact me or Mrs Dunne with regard to the Enrichment sessions or if you have any questions or concerns with regard to your child's progress and we will be more than happy to assist. You can contact either myself or Mrs Dunne via the following email addresses - C.littlewood@redcar.outwood.com or H.Dunne@redcar.outwood.com or k.smith@redcar.outwood.com

Yours Sincerely

Claire Littlewood
(Head of Visual and Performing Arts)
