**Outwood Academy Redcar - A 'good' school**

Dear Parent/Carer,

We are absolutely delighted to write to you following OFSTED's inspection of Outwood Academy Redcar on 16th and 17th November. This is the first inspection of the school since it joined the Outwood Grange Family of Schools and **Outwood Academy Redcar has been judged as a good school in every Ofsted category.**

As leaders, we have always been determined to provide a good education for the Redcar community and we are ecstatic that this has been validated by the inspection team, led by one of Her Majesty's Inspectors.

The inspection team recognised that ***'leaders have rapidly improved the school'***. They said ***'pupils at this school are taught well'*** and that ***'leaders and teachers are determined to give pupils the best possible education'***. When reviewing student behaviour, inspectors also recognised that ***'pupils behave well in lessons'*** and ***'around the school, pupils are calm and orderly'***. When looking at the provision for SEND students, inspectors said ***'pupils with special educational needs and/or disabilities (SEND) are well supported.'***

Since the inspection visit, we have been busy working on the areas for development that were identified and we have already made improvements in these areas. We are determined to do all we can to continue our journey to outstanding.

This report reflects the journey of significant improvement the school has been on in recent years and we would like to thank all staff, academy leaders and members of Academy Council for their hard work and commitment to school improvement.

We would also like to thank you, as parents, for your ongoing support of the school.

Yours faithfully,

Gemma Trattles
